Welcome to the January edition of our newsletter. This month, we're excited to introduce a slightly different format to our newsletter, Our ultimate plan is to transform the newsletter into a more organized newsletter format to make it more readable, more organized, and more enjoyable.

As this year is winding down, I want to thank all the volunteers who take their time to get the required work done around the park. The work everyone does certainly shows.

The Christmas dinner was a great success. A big thank you to Virginia and Harry for a fine job as always and all the volunteers who helped, It was a great time and the food was excellent.

As I look back on 2023, we certainly had good times, some stressful times and times of sorrow. The dinners, cards, cornhole, shuffleboard among others were good times and great fellowship 😊 for those that attended. There were stressful times 😞 in decisions that were made that all were not happy about. If you ever have questions, please come and see me. My door is always open to anyone who might have a question. Great sorrow when we lost some long-time residents of the park 😞. Some by their passing and others moving closer to their relatives due to health reasons. **We will miss them!**

As we move into 2024, I wish you and your family a safe, healthy and prosperous New Year!

"You are never too old to set another goal or to dream a new dream"

TO ALL RESIDENTS

WE HAVE A GREAT PARK! Please take the time to read the bylaws of the park. When moving into this park, you agree to abide by these bylaws. Following these rules makes this a great place we want to live in. Several of the key issues are maintenance of property, pets, speeding, leasing of property & visitors. If any of these issues concern you, please re-read the bylaws to make sure you are complying with these rules. Let’s keep this park the great place that it is. The book containing these documents for the park is to stay with the home when it is sold along with the clubhouse key. If you do not have a copy, please let Mary know. We will work to get you a copy. We will begin to charge for the book if the property is sold and the sellers do not have the book.

If you would like to be included in the monthly birthday list, there is a sign-up sheet in the clubhouse.

You must sign-up to have your name added to the birthday list!

This week we had a visit from David Stevens who is the licensed inspector for the well & sewer plants. He comes in three times a week at the sewer & water plants for inspections and sampling. He had great things to say about the gentleman who are helping with the daily operations.

They are doing a **FANTASTIC job.
So, a big **THANK YOU** to them for a job well done!**

**Dave Cali, Carlos Echevarria, Skip Lockhart,
James Marsillett, Ed Norton & Mike Reynolds**

We are again having problems with items being put down the toilets that should not be. **PLEASE ONLY PUT HUMAN WASTE OR TOILET PAPER IN YOUR TOILET. **DO NOT PUT Condoms, Sanitary Napkins, Tampons or Wipes (even if the package says you can).** These are harmful for our septic system. If these were to get into the motors, we will be in big trouble. It could result in our septic system being down and can cost \$\$\$\$\$. If you need a trash can to put in your bathroom for these items, please let me know. If you have visitors, please pass this along to them or put a sign up in your bathroom. I don't think you would want to be the cause of our system going down. Thank you.**

Mary

Greg & Nerita Fisher

Even though Greg and Nerita Fisher moved into Twin Fountains in August of 2022, it seems like they've been here much longer because they got in here and became well known and well loved in no time! Actually, they moved to Lake Wales in 1979 but lived just down the street at Crooked Lake Park. They bought the home at 6205 Treasure Valley Loop (what used to be Jim and Linda Eubanks home), and we're happy they're here!

Both Greg and Nerita were born in and grew up in Nobelsville, Indiana. Greg's birthday is August 3rd and Nerita's is January 12th. They have been married for 49 ½ years and have 2 children: a son, Bradley (54 years old) and a daughter, Elizabeth (45 years old). They've been truly blessed also because they have 5 grandchildren. Four who live here in Florida and one who lives in Indiana.

This writer always enjoys reading how some of our couples met and Greg and Nerita don't disappoint! They met when Greg made a trip to the hardware store where Nerita worked. My guess is that after a while, Greg would go to the hardware store just to see a certain employee but not because he needed anything in particular!

So far, I haven't mentioned the one individual that rules the Fisher home. It's of the female variety and she is a Chiweenie named Daisy. Daisy rules the house and is quite the watch dog. She barks at everything and everybody. She also lives to travel. Don't let the Fisher's fool you. There is PLENTY of spoiling going on there and Daisy is living proof of that!

Greg and Nerita share a love of Camping, hunting, and fishing. Just recently, Greg got a 10 point buck and let me tell you something, it's going to result in a freezer full of the best cuts of meat one can imagine! Greg, next time you guys need to leave town, please keep me in mind to watch over everything for you. Just leave me the key to your freezer. – Uh, er I mean your home and I'll make sure we watch your freezer carefully. Dang! I mean your home!

Neither Greg nor Nerita served in the military but both love our country. They also love being in Twin Fountains. The things they like best about living here at Twin Fountains is all the dinners and meeting other Twin Fountain residents and the pool! In Nerita's own words, Twin Fountains' advantages include affordable living and great people! Yes. You guys hit the nail right on the head!

The Fisher's love Italian food and home cooked food. I really don't know how often they eat out, but I'll bet they can tell you the best Italian restaurants anywhere!

I've been saving the part they love talking about the most. They love their church and are both very active. They love good ole Southern Gospel and music from the 60's. There is no sports team where you'll find them cheering. They'll be cheering at their church and singing up a storm!

Something that you might be surprised to discover about Greg and Nerita. Greg is a Journeyman machinist but also taught High School math for awhile and Nerita was a bookkeeper at two different Real Estate offices.

Finally, it would be a crime to leave out the fact that Greg belongs to the Masonic Lodge and has been Secretary in Lake Wales for 30+ years. Nerita is 25+ members of the Eastern Star. These two are a couple of the sweetest people you would ever get to meet. Get to know Greg and Nerita. Come see what many others of us here have discovered about the Fishers!

DON'T FORGET TO CAST YOUR BALLOT FOR ELECTING DIRECTORS BY JANUARY 9TH!!!

**TWIN FOUNTAINS CLUB
BALLOT FOR ELECTING DIRECTORS**

VOTE FOR 3

- BILL FOLD
- POLLY WANNACRACKER
- CHUCK WAGON
- SALLY MANDER

When we began to deliver the packet for the Jan 9, 2024, we left out the Ballot envelope. We went back and handed those ballots out to the residents that had not received them. Please make sure you fold and put your ballot in the smaller ballot envelope and seal. The ballot envelope and the proxy, if required, then goes in the larger envelope and sealed. Your lot number, signature, and printed name go on the outside of the larger envelope in the preprinted area. This can be mailed in or dropped in the slot on the office door.

The proxy must be completed if you do not attend the meeting. Your vote will still count but the meeting requires 51% or more in attendance to conduct the meeting. Your completed proxy counts as your attendance.

If you have any questions, please do not hesitate to contact Mary Marsillett or Bev Tanke. We have two ballot only envelopes that were put in the office box. They were submitted without the large envelope. These votes will not be counted. If you have dropped just the ballot envelope in the box, please see either one of us.

In last month's issue of our newsletter, we discussed the Park Avenue Redesign Project and the Crystal Lake Park Trail Design. This month, we'll look at the US 27 and Hwy 60 Interchange that was started in September of 2020. Unfortunately, it will be with us for at least another year with the projected completion date of the second quarter, 2025. With all the mess at 60 and 27, the project improvements that Florida Department of Transportation (FDOT) plans to implement are to improve US 27 and SR 60 are:

US 27 Improvements Include:

- Widen roadway from 4 lanes to 6 11-foot lanes
- Paved Shoulders with bicycle lane on the outside
- Curb and gutter along the inside and outside
- Install a closed drainage system
- Install 6-foot-wide sidewalks

SR 60 Improvements Include:

- Construct a new bridge over US 27
- Widen roadway from 4 to 6 11-foot lanes
- Install a 7-foot-wide bicycle lane
- Curb and gutter along the inside and outside
- Install a closed drainage system
- Install 6-foot-wide sidewalks

Crews are working most of the time but there are long delays where no one is working at all. Therefore, its no surprise that they won't be done for another year and a half (estimate). However, what they have planned will improve much in that area. Crews will be constructing an urban frontage road in the southwest quadrant for access to local businesses, a noise wall will be constructed along SR 60 and will stretch from S. Miami Street to Sharp Street, signals will be installed along US 27 and SR 60, Central Avenue from west of US 27 to Miami street will be resurfacing the road there. Finally, there will be daytime and evening lane closures and a few detours on US 27 and SR 60 while construction remains. For those that may use public transport, access to and from all bus stop boarding and landing areas will be maintained through the entire construction process.

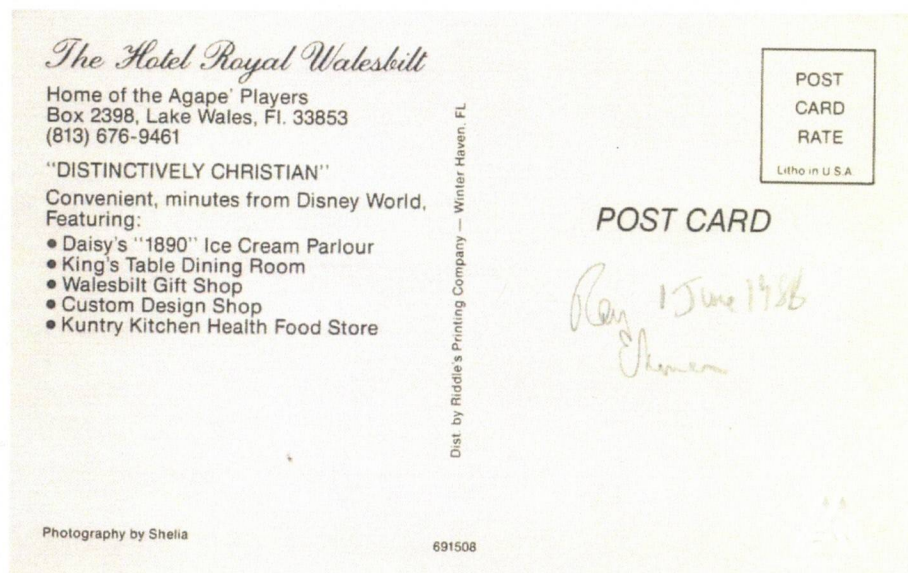

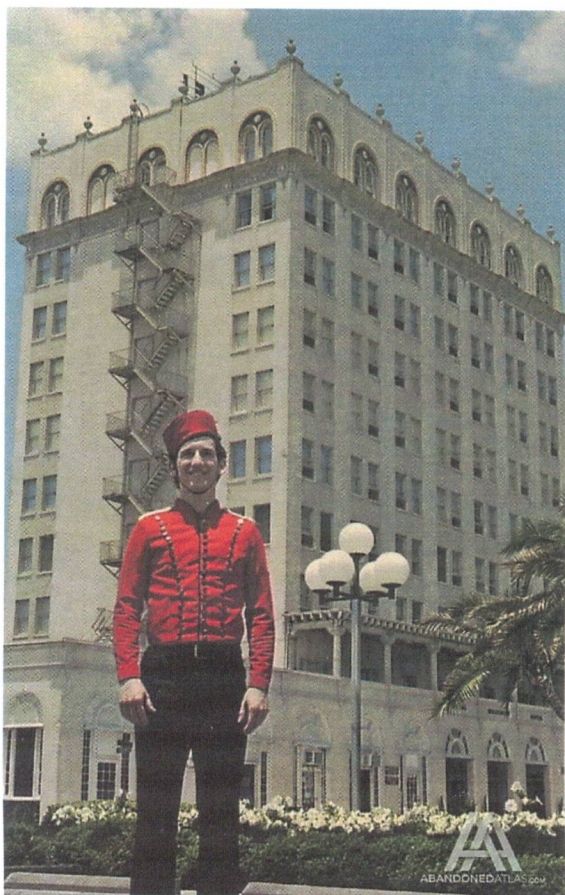

Therefore, what should we be expecting during all this construction? Well for one thing, while crews are out milling and paving, there will be some lane closures from time to time along SR 60 and we should also expect lane closures intermittently on US 27 (both the southbound and northbound lane while crews continue working on the pavement and signaling of the intersections. So, be careful out there along this stretch of road and watch for workers where you least expect them.

We touched on the progress of the continuing revitalization of the Dixie Walesbilt hotel and its elegant interior. It originally was meant to reflect the sensibilities and architectural styles that were popular during the Great Florida land boom during the 1920's before the Great Depression of 1929. The beautifully coffered ceiling was crafted in Italy, and the marble floors were brought from New England. A wrought-iron railing lined the mezzanine promenade surrounding the atrium lobby. Interest has been expressed by various groups interested in restoring the building for use as a hotel.

The last update for the future progress of this great site was back in April of this year. A lawsuit was filed by the city of Lake Wales and the Community Redevelopment Agency. They alleged that Dixie Walesbilt owner Ray Brown committed fraud in the inducement to obtain the title to the building. The bottom line? Brown had proposed to the city that he redevelop the hotel into 40 condominium units, with a health club and retail space on the ground floor. It is unclear at this point if the Lake Wales Community Redevelopment Agency (CRA) regained the title to the property so that another qualified buyer can continue the restoration.

It was in different hands for a little while. In 1978, the hotel was signed over to the Agape Players, a nationally Christian music and drama group who pay the costs for the improvements and bring the building back up to the city fire and safety standards. The group operated for awhile, but the Agape Players disbanded in 1985 and put the property back up for sale.

Here is an actual picture-postcard featuring a bellhop posing in front of what was known as the Hotel Royal Walesbilt (originally known as the Dixie Walesbilt Hotel) The back of the postcard read, "Home of the Agape' Players" "Distinctively Christian" Convenient, minutes from Disney World, featuring: Daisy's "1890" Ice Cream Parlour, King's Table Dining Room, Walesbilt Gift Shop, Custom Design Shop, and the Kuntry Kitchen Health Food Store." c. 1978.
